2017 Summer Day Camp Programs for Youth

at the WEATHERVANE THEATRE

It's Season 52 this summer at the Weathervane . . . and our popular camp adopts the theme:
HAKUNA MATATA!
Learn, perform and play at northern NH's award-winning, professional summer theatre.

WINDSOCK is the Weathervane Theatre's summer day camp for kids 7 to 17, with sessions for every ability . . . a place to play, learn, explore, perform and grow.

Under the knowledgeable and energetic leadership of the gifted WINDSOCK STAFF every camper will be introduced to all the different elements of theatre. Also included will be rehearsing and performing on the Weathervane Main Stage; attending a Patchwork Players show and meeting the performers; *and* observing a tech rehearsal of a Mainstage show to see the Weathervane professional company in action.

This summer's **WINDSOCK** sessions continue the theme:

Act One , Week 1: "Simba" for first-time and youngest campers ages 7 (by July 1) through 10.

Act One , Week 2: "Nala" for first-time and youngest campers ages 7 (by July 1) through 10.

Act Two : "Rafiki" - a two-week session for returning/older campers ages 10-13.

Act Three: "Mufasa" - Ages 14 on up and experienced enjoy the full Camp experience with one three-week session.

ALL CAMPER'S ALSO PERFORM FOR FAMILY AND FRIENDS IN ONE OF TWO SATURDAY MORNING SHOWS ON OUR MAINSTAGE!

Ask about application for needs-based tuition reduction as available and reduced rate for multiple family members.

WINDSOCK, in a 21st summer, will continue to immerse campers in their traditional theatre arts learning - this summer with a decidedly active flair, bringing the familiar characters of Disney's *The Lion King* to life with a Windssock flourish!

Camp time will include animal mask building and drumming chants, songs and dance, and creative exploration of characters and theme. And, of course, traditional Windssock activities working with Weatherwane professionals in painting, props, and tie-dying their own tee shirts with our designers.

Campers bring their own lunch: registrants will receive a list of helpful hints about appropriate clothing, insect repellent and more. Childcare at end of day available from 4-5 pm, additional \$10 per week.

Note: stated age range does overlap between 'Scenes,' in part to mark transition between groups and experience years.
