2018 Summer Day Camp Programs for Youth at the

WEATHERVANE THEATRE

*It's Season 53 this summer at the
Weathervane . . . and our popular
Windsock Camp awaits!*

*Learn, perform and play at
northern NH's award-winning,
professional summer theatre.*

WINDSOCK is the Weathervane Theatre's summer day camp for kids 7 to 17, with sessions for every ability . . . a place to play, learn, explore, perform and grow.

Under the knowledgeable and energetic leadership of the gifted WINDSOCK STAFF every camper will be introduced to the many different elements of theatre arts. Also included will be attending a Patchwork Players show and meeting the performers; *and* observing a tech rehearsal of a Mainstage show to see the Weathervane professional company in action. And, of course, rehearsing and performing on the Weathervane Mainstage with a Camp Show.

This summer's **WINDSOCK** sessions continue the theme:

Act One , Week 1: for first-time and youngest campers ages 7 (by July 1) through 10.

Act One , Week 2: also for first-time and youngest campers ages 7 (by July 1) through 10.

Act Two : a two-week session for our returning/or older campers ages 10-13.

Act Three: Ages 14 on up and experienced performers enjoy the full Camp experience with one three-week session.

ALL CAMPER'S ALSO PERFORM FOR FAMILY AND FRIENDS IN ONE OF TWO SATURDAY MORNING SHOWS ON OUR MAINSTAGE!

Ask about application for needs-based tuition reduction as available or reduced rate for multiple family members.

WINDSOCK continues a decades-old summer program that will immerse campers in traditional theatre arts learning - with groups and games, music and song, all served up with friendship and a decidedly Windssock flair!

Camp time will include animal mask building and drumming chants, songs and dance, and creative exploration of characters and theme. And, of course, traditional Windssock activities working with Weatheravane professionals in painting, props, and tie-dying their own tee shirts with our designers.

Campers bring their own lunch: registrants will receive a list of helpful hints about appropriate clothing, insect repellent and more. Childcare at end of day available from 4-5 pm, additional \$10 per week.

Note: stated age range does overlap between 'Scenes,' in part to mark transition between groups and experience years.
