

Gift-giving - and getting - season is here . . . and your destination for summer should be Whitefield!

We're your kind of town: where we bring you Broadway and beyond. Look for a spectacular visit to a small French village, a return to another rural New Hampshire town, and the razzle dazzle of Chicago, right here in the North Country!

That's right: on the Mainstage this summer, you can expect productions of Beauty and the Beast, Our Town, and Chicago -- plus four more great titles yet to be confirmed.

Plan now for Season 53 with your purchase of passes and gifts only available through January 10.

As usual, you can also look forward to programs and activities for every age and theatre interest.

NOW is the time to purchase the best packages and gifts at the best pricing: offers close on January 10.

- Your order will be confirmed by mail or e-mail. Gift Certificate orders will be mailed to you: please note the Dec. 10 deadline for Gifts so they may reach you in a timely manner.
- Seat reservations **CANNOT** be made **NOW** with the Early Pass/Gift offer, as our calendar is still being formulated. Gifts that keep on giving . . .

We are very excited about the Season we're building for you and the special offers this time of year that give you exceptional pricing while providing essential funding to the Weatherwane. Operating expenses accumulate year round: up to \$75,000 before opening night! Each year, we face a cash flow challenge in securing performance rights, begin hiring and auditioning, and continue preparations for the coming summer.

Your supporting gifts make a difference, keeping ticket prices moderate and affordable. Without your generosity, ticket prices would be more like the \$55-\$75 you would see for the same calibre of professional entertainment... and we can only make special early offers like these (and offer in-Season specials) because of your gifts to the Annual Fund. Operating support provides just about 40% of the basic cost to operate the Theatre - and we, of course, remain grateful for the continued support of so many. **A generous donation before the end of the tax-year can benefit you: please consider what options are available for your charitable giving as tax laws are continually changing.** (We can receive stock gifts as well as IRA disbursements.)

Thank you in advance as you make early gift purchases for yourself or others and consider an added gift to the Theatre and the joy it will bring to countless audiences who - like you - will enjoy a wonderful coming Season.

From the Board of Directors and all of us here, best wishes for a joy-filled holiday season and a happy 2018,

Lyn Osborne Winter, Managing Director

By the way: your payment by check saves the Theatre the additional costs of credit card processing.
